
September, 1965

Rainier Golf & Country Club,
1856 S. 112th Street,
Seattle, Washington

Dear Sir:

We recently had certain members of your Club visit us for the purpose of playing our course. They presented their membership cards and we were only too pleased to extend playing privileges to them.

We have always operated under reciprocal privileges with certain Clubs such as yours but recently we have become somewhat restrictive by requesting written confirmation of such arrangements. We accordingly, enclose herewith a letter we have written on this subject and look forward to receiving a favorable reply from you in due course.

Sincerely yours,

President

September, 1965

Rainier Golf & Country Club,
1856 S. 112th Street,
Seattle, Washington

Gentlemen:

As you may know, we have for some time made it a practice not to allow persons to play golf on our course unless they are members of a private golf Club with which we have reciprocal privileges.

We have always regarded your Club as one with which we did have such a reciprocal arrangement upon presentation of a current membership card and payment of the established green fee and/or other charges. We do make it a condition of play, which I expect you do also, that guests not playing with a member shall be accommodated only if and when there are openings on the first tee and that they shall at all times conform to our local rules and regulations. We afford such a guest the option of paying cash for his expenditures or signing a chit to be debited back to his home Club.

This arrangement, as you know, has for many years been the generally established practice between private golf Clubs but for our part, we have never had written arrangements with individual Clubs. We, therefore, now propose that we mutually confirm in writing this reciprocal arrangement and would accordingly appreciate a letter of acquiescence and agreement from you. This arrangement will continue in force until cancelled in writing by either party.

Thanking you in anticipation for your cooperation in this matter, I am

Sincerely yours,

ASTORIA GOLF AND COUNTRY CLUB

Dear Sir:

You have requested a letter of agreement confirming the desire of the Rainier Golf and Country Club to allow members of this club to play on your course, and in return, we will be glad to allow members of your course to visit Rainier when in Seattle.

It is the understanding of both clubs that members are to present their membership cards and pay the current charges for guests. Also, it is understood, that guests not playing with members be accommodated only if and when there are openings on the first tee and that they shall at all times conform to the local rules and regulations.

May we have many years of agreeable associations between our two clubs.

Sincerely,

RAINIER GOLF AND COUNTRY CLUB

Good morning Mr. Horgan,

Astoria Club members have always been some of our favorite hosts, as well as guests.

As a consequence, Riverside's Board of Directors happily agrees to establish with your club a reciprocal agreement by which members of either club may visit the other, play golf under normal conditions upon payment of greens fees and sign chits for ordinary expenditures.

The agreement is effective immediately and for an indefinite period.

Regards,

BOARD OF DIRECTORS

Dear Sir,

The Board of Directors of Shadow Hills Country Club have asked me to write you concerning your correspondence to them in regards to reciprocal privileges of use of golf course and club house between Astoria Golf and Country Club and Shadow Hills Country Club. The Board of Directors have voiced unanimous approval for such reciprocal privileges and will abide by the policy set up by Astoria Golf and Country Club.

At any time that any of your members are in Eugene, they may feel free to stop in at Shadow Hills Country Club to use the course or club house facilities. We also ask that they show a current membership card. Your members may have the option of paying cash or signing a charge slip to be debited back to his account at Astoria Golf and Country Club.

The Board of Directors of Shadow Hills Country Club thank you for the courtesy in extending these reciprocal privileges and if there is any way that I may be of service to you or your members please call on me.

Respectfully,

Charles W. Fox

Gentlemen:

First let me apologize for the delay in answering your letter requesting a reciprocal playing arrangement with your Club.

We certainly would consider it a privilege to be included in this agreement. Have had the pleasure of playing your fine course, as have many of our members, and you can be justifiably proud of its beauty and excellent condition. Am sure that this is due to the efforts of my very good friend George Harvey.

We hope that some of your members will be over to play our course this year, and you can be assured that they will be given the same courtesy our members received from you.

One thing that might be helpful to know in case one of your members asks, is our playing restrictions. Ladies only until 1:00 P. M. on Tuesdays. Men only after 12:00 Noon on Thursdays. Men only until 11:00 A. M. on Sundays. We also have a swimming pool which would be available to your members during the summer.

Thank you for your correspondence, and trust that we will have a long and congenial relationship with your Club.

With best regards,

Bud Fortier

MINUTES OF THE BOARD OF DIRECTORS MEETING

PACIFIC NORTHWEST GOLF ASSOCIATION

FRIDAY - NOVEMBER 19, 1965 - BROADMOOR GOLF CLUB
5:30 P. M.

The meeting was called to order by President Carl Jonson, who acted as chairman,with Ernest A. Jonson, Executive Secretary, acting as secretary. The following were in attendance:

Carl A. Jonson
William T. Stockton
Ernest A. Jonson
Doug Burton
Ed Bader
Otto Garcea
Lloyd Avery
Charles Davis
Harold Weston
George Skarich
Carl Munson
Herman Dahl
Walter Shields
Ray Zint
J. Moynes
Bruce Sangster
Walter Cline
Don Woodard
Craig Harmon
Don Ross
R. R. Ross
Mel Aspray
Joe Butler
Don Sutton
Kermit Rosen
Max White
Hal Soden

It was moved, seconded and unanimously voted that the reading of the minutes of the previous meeting be waived as the minutes had previously been mailed to all the directors.

The Chairman introduced a new director, Charlie Davis from the Portland Golf Club, replacing Hap Heitkemper. Other new directors, who were not present, are: Ed Wheelock, Douglas Wing and Erv Parent.

Max White, president of Churchill Tours, reported on the PNGA Orient Tour. He advised that 45 PNGA members are traveling on this tour and many are playing golf. He also presented a check for $1,000.00 for the PNGA Caddy Scholarship Fund. He further stated that he hoped the board of directors would see fit to continue this program as those who are participating are enjoying themselves and the reports he has received have all been very good. He advised that the tour will return in approximately a week and a half and at that time he would submit a written report. Of those attending, 12 were from the state of Washington and the balance from the state of Oregon. He advised that the European trip scheduled for last spring had been canceled because of lack of participation.

Finance Committee

Report was given by Chairman William Stockton, who reported on the financial condition as shown on page 4 of the Annual Report. He noted that the income in the General Fund was $22,000.00 which was $7,000.00 greater than the previous year. There was $11,036.00 in the General Fund which was an increase of $5,172.00. He pointed out that the Men's and Ladies' Tournament showed a profit of $477.00 against previous underwriting expense of $2,000.00; that the Junior Boys' and Grils' had cost the PNGA $1,000.00 in 1965 against previous costs of $2,000.00. Further, that the Senior Tournament which was sponsored for the first time in 1965 showed a loss of only $2.95. He advised that the finances were in excellent shape.

The Chairman pointed out that the Men's and Ladies' Tournament had shown a profit through the excellent help of Dr. Herman Dahl, the director from The Tacoma Country and Golf Club.

The Chairman proposed the hiring of Mr. Hal Soden as Assistant Secretary at a salary of $100.00 a month. He stated Mr. Soden was exceptionally well qualified and that we were lucky to have his interest. He advised that this was a step towards our goal of a full time office, and a full time Assistant Secretary. A discussion followed and a motion was made, seconded and carried that Mr. Soden be hired on the basis of $100.00 a month.

Membership Committee

The report of the Membership Committee was given by Craig Harmon, chairman of this committee. A discussion followed concerning membership and a question was raised regarding the deadline for the payment of dues.

The Chairman reported on the meeting at the Longview Golf Club with a number of the directors. He believed the membership program would be approved by their new board. He recommended that we should have a brochure for explaining our membership, its benefits and programs, which would include course rating and handicapping, such brochures be distributed to the board members of each club so they would be educated before attending any meeting with representatives of the PNGA for discussion of the membership program. A discussion followed and it was pointed out that the Membership Committee needs an analysis by zones of the status of all clubs and the Membership Committee in each zone would then be required to call on the particular clubs. However, there should be information furnished to the prospective clubs ahead of time to assist the Membership Committee in their sales program. The question was raised concerning the Idaho and Montana clubs and it was pointed out that

there were 3 clubs from Idaho and 2 from Montana. Lloyd Avery reported that the group from Southern Idaho is somewhat remote from our area and has a league of their own.

The Chairman asked if Idaho and Montana courses would be interested in the PNGA Course Rating program; that the Southen California Golf Association would spend a long week end where they would rate all of the courses in an area, such as Palm Springs. After discussion the matter was referred to the Membership Committee to study the problem and report at the spring meeting.

The Chairman advised that a Public Links Membership had been previously approved by the board of directors, further that Norman Friedman, Ernest Jonson and he had attended a meeting of the board of directors of the Olympic Hills Golf Club, which is the club affiliated with Jackson Park, and had presented the membership program. There had been many questions concerning this program by the board and most of these questions resolved around the cost of the program. To date no answer had been received from the club concerning this program, but it is hoped that eventually the public courses could be sold on this program.

Tournament Committee

The report of the Tournament Committee was given by Dr. Herman Dahl who reported on the Men's Tournament. He advised everything was run smoothly; the tournament was well attended and financially the tournament made a small profit.

Senior Tournament

The report was given by Hal Soden who advised there were 61 entries, that the committee had started late, consequently the smaller entry field. He advised the tournament in 1966 was to be at Astoria Golf Club, June 22 to 25; further, the tournament in 1965 did not get a large entry from Oregon, British Columbia or Spokane but expect a larger attendance in 1966. The tournament is limited to 112 with handicaps of 15 or under. He also thanked the board of directors for placing their confidence in him by retaining him as Assistant to Ernie Jonson.

The Chairman stated that the PNGA Senior Tournament was a very fine tournament and that the PNGA had made many friends by starting this tournament.

Course Selection Committee

This report was given by Don Sutton, chairman of the committee,

he advised that the Men's Tournament would be at the Royal Colwood Golf and Country Club, the Ladies' Tournament at Uplands Golf Club in Victoria the week of July 4 to July 9; the Junior Boys' is to be held at the Eugene Country Club from August 22 to 26 and the Junior Girls' either at Overlake or Rainier.

Junior Development

The report was given by Walter Shields, chairman of the committee, and appears on page 9 of the Annual Report.

The Chairman reported on the Junior Team Matches conducted in the city of Seattle, which were started several years ago with several boys from each private club playing a different course every Wednesday morning. He advised that a letter had been received from a member of Rainier addressed to the PNGA complaining about the conduct of this tournament and that a reply had been made informing him that this was not a PNGA function. A discussion followed and the general consensus was for the PNGA not to participate in this program at this time.

Scholarship Committee

The Chairman advised the report contained on pages 11 and 12 of the Annual Report was in greater detail because it is one of our major activities and more importance should be given this program. Don Sutton advised for the first time a boy from British Columbia, a caddy at the Capilano Golf and Country Club, was granted a scholarship. He advised that this was one of the better things that had happened for the PNGA program in British Columbia and had created a considerable amount of interest.

Course Rating Committee

The report was given by George Skarich and appears on page 14 of the Annual Report. The Chairman asked Mr. Skarich to prepare a schedule of courses to be rated and advised that the directors were going to be asked to participate and assist in the course rating program. He also stated that requests for course rating must come from the board of directors of the club involved. He also raised a question of whether the PNGA should rate courses for non-members. A discussion followed and a motion was made, seconded and carried that clubs, in the future, must be PNGA members to be rated by the PNGA.

Handicap Committee

This report was given by Doug Burton, chairman of the committee.

He pointed out that the first year there were approximately 1,000 handicaps being computed and there are now 10,000 subscribing to the service. He understood that Mr. William Stockton had presented this program to the Sand Point Country Club recently and that they were ready to participate and also Tualatin Country Club, Tualatin, Oregon, had approved this program.

Golf House

Committee Chairman Harold Weston reported that the object of this program is to preserve and collect items of historical data in the Northwest. He believed that it is a worthwhile project and one that should be given further attention.

Reciprocal Membership

The Chairman reported that this matter was discussed with the members of the Northern and Southern California Golf Associations. During the discussion the matter of primary interest to these associations was the Internal Revenue aspect whereby visitors playing under a reciprocal membership privilege were not considered in the outside income for purposes of determining the tax exempt status of each club. He reported that one major club in the California area had sent out letters of intent to other clubs and that whatever reciprocal arrangements were being made were being made on club-by-club basis. He suggested that we contact the heads of the associations to determine if they were interested in such a program and at that time we can decide whether we should go ahead with individual clubs in the various areas.

USGA Rule Changes

A discussion followed concerning the USGA rule changes and a motion was made, seconded and carried that we recommend to our member clubs that they adopt the USGA rule changes.

The Chairman reported on possible liaison with the Northwest Section of PGA. He suggested having a golf day whereby the directors of PNGA would play with the members of the PGA. He suggested a joint meeting with the professionals in the area, play golf with them and have a discussion of mutual problems. He suggested that this be done during the spring meeting and that the pros in Victoria and Vancouver be invited.

Mr. William Stockton advised that Mr. John Hoetmer, the professional at Sand Point Country Club had recently gone to the hospital for an operation for cataracts at the Seattle General, and that this was rather crucial because John, at the present time, had only one eye and loss of the one eye would be a very serious matter.

By-Law Amendment

A proposed amendment to be presented to the delegates on the following day was read; discussion followed, and motion was made, seconded and carried that the directors recommend to the delegates that this be passed.

Pacific Coast Amateur

President Carl Jonson reported on a proposed Pacific Coast Amateur Tournament. He reported that some criticism had been leveled at the PNGA in the past for not having a true championship tournament, that there are limitations on the entry and only those who belong the a PNGA member club can play. Further, the tournament is held at match play instead of stroke play. He envisioned the Pacific Coast Amateur as a tournament to determine a true champion on the Pacific Coast and to have a tournament of such a stature that the winner would be recognized for Walker Cup material. He suggested a three day event of 72 hole stroke play at a major Championship course with the only limitation for entry being a recognized handicap of 4 or less. There would be no flights and the only purpose would be to determine the winner. He reported that the matter had been discussed with the Northern and Southern California Golf Associations, the Arizona Golf Association, the Colorado Golf Association at a recent meeting in California. They were favorable towards such a tournament and suggested that since the PNGA had originated this idea, that the PNGA conduct the first tournament. Mr. Harold Weston advised that he had recently the opportunity to meet the Duke of Windsor at the Balstoral Course in New York. The Duke of Windsor had asked about Dr. Willing, Don Moe and Frank Dolph and advised that he had seen them play in England at the Walker Cup. He then asked a question as to what had happened to golf in the Northwest.

A discussion followed, a motion was made, seconded and carried that the PNGA proceed with a Pacific Coast Championship Tournament in 1966.

California Meeting

President Carl Jonson reported on the meeting along with George Skarich and Ernie Jonson with the Northern and Southern California Golf Associations, Arizona State Golf Association and Colorado Golf Association. One of the items discussed was the course rating and he noted that one of the primary reasons for differences in handicapping between California and the Northwest was the matter of course

rating. He advised that the Thunderbird course in Palm Springs was rated at 68 and if this were true then the Broadmoor Golf Club should be 68 or 67 instead of 69. He advised that there were considerable discussions concerning course rating procedures and it was agreed that the various associations would exchange data on their course rating procedures showing the hole-by-hole rating; how each course was rated and the detail arriving at the rating. The end result would be to have more uniformity in the Pacific Coast area on course rating.

PNGA Film

President Carl Jonson reported that the PNGA needs a tool to educate members and to assist in selling the membership program to the various clubs. He advised that one method was a film of PNGA activities which could be done with complete professional help, it would include pictures of the directors meeting, report by each committee showing pictures of course rating, pictures of the Executive Secretary and the offices, pictures of the Caddy Scholarship recipients and other items of interest. He reported that the estimated cost of such a program would be $5,000.00 to $6,000.00. He advised the alternative is a do-it-yourself method with pictures being taken by non-professionals on a voluntary basis, which would cost an estimated $500.00 to $600.00. Mr. Soden advised that he had made two films on the Senior activities which cost about $250.00 each and believed that such a film could start with showing a directors meeting, handicapping, course rating, scholarship and other items. He believed there would be no problem in proceeding in this fashion and the film could be re-edited and up-dated each year. Mr. Bader suggested the use of slides, especially to show at the board of directors meetings. A discussion followed and the matter was referred to the Publicity Committee for report at the Spring Meeting, with the cost not to exceed $500.00.

President Carl Jonson recognized Ray Zint and Harold Weston, both former presidents, and advised that support and activity of the former presidents was one of the strengths of PNGA.

The date for the Directors Spring Meeting was set for Saturday morning, April 23 at the Royal Colwood Golf and Country Club.

The meeting was declared adjourned.

Dear Mrs. Samuels:

It has been customary for some years for the Oregon Womens Golf Association to schedule their Sweepstake, at our club, the Friday prior to the Oregon Coast Tournament. The Board of Directors of the Astoria Golf and Country Club feel this Friday should be reserved for entries in the Oregon Coast Tournament to practice, if they so desire. We appreciate very much your scheduling an annual Sweepstake at our club and would like you to consider July 8th or July 15th, as the date for your Sweepstake during the year '66.

Will look forward to hearing from you when you setup your annual schedule.

Very truly yours,

E. Orwick

RE: Reciprocal Arrangements with other Private Clubs.

MEMO TO: Pro Shop,

Dear Marlow,

We are now in the process of formalizing in writing reciprocal agreements with other private clubs.

As you know, we have had these reciprocal arrangements for years, but they have been on a verbal basis, and, for reasons that are apparent, we should now have such agreements in writing. Dave Hobbs will handle the actual exchange of correspondence. However, it will be necessary for you to furnish him, on a weekly basis, with the names of any private clubs with whom we do not have a reciprocal agreement and whose members have requested playing privileges on our course. You have already turned over a list covering September, so would appreciate your bringing October up to date and, after that, submit the list to Dave each week. A little later, Dave will give you a list of the clubs with whom we have had an exchange of written agreements.

Henceforth, only our own members, their guests, and members of private clubs (with whom we have agreements) should be allowed to play our course. Some exceptions may be made for unusual situations.

Very truly yours,

ASTORIA GOLF AND COUNTRY CLUB

January 13, 1966

Astoria Golf and Country Club
Warrenton, Oregon

Gentlemen,

Your letter of September, 1965 was handed me by our outgoing secretary upon my term of secretary-treasurer.

Springfield Country Club would at this time enter an agreement under a reciprocal arrangement as stated in your letter of Sept. 1965. This arrangement will continue in force until cancelled in writing by either party.

I again want to thank you for your letter and am sorry we haven't taken care of this matter before now.

Sincerely yours,

George H. Litzenberger
Secretary

September, 1965

Tualatin Country Club,
P. O. Box 257,
Tualatin, Oregon

Gentlemen:

As you may know, we have for some time made it a practice not to allow persons to play golf on our course unless they are members of a private golf Club with which we have reciprocal privileges.

We have always regarded your Club as one with which we did have such a reciprocal arrangement upon presentation of a current membership card and payment of the established green fee and/or other charges. We do make it a condition of play, which I expect you do also, that guests not playing with a member shall be accommodated only if and when there are openings on the first tee and that they shall at all times conform to our local rules and regulations. We afford such a guest the option of paying cash for his expenditures or signing a chit to be debited back to his home Club.

This arrangement, as you know, has for many years been the generally established practice between private golf Clubs but for our part, we have never had written arrangements with individual Clubs. We, therefore, now propose that we mutually confirm in writing this reciprocal arrangement and would accordingly appreciate a letter of acquiescence and agreement from you. This arrangement will continue in force until cancelled in writing by either party.

Thanking you in anticipation for your cooperation in this matter, I am

Sincerely yours,

RE: Reciprocal Arrangements with other Private Clubs

MEMO TO: Club Manager

Dear Dave,

As recently discussed with you, we are now endeavoring to formalize reciprocal playing arrangements with other private clubs. As you know, we have had these arrangements in the past, only they have been on a verbal basis. They must now be put in writing.

Accordingly, agreement requests are being sent out today to many of the private clubs whose members have recently been using our course. In the future, if we have a guest from a private club and if his home club is not on our reciprocal agreement list, please send reciprocal agreement letters (forms) to his club. When sending letters, you should keep a copy of same in an abeyance file until such time as your letter is answered. Then, you should file copy of your letter and the answering letter in such a manner that they can readily be referred to.

After two or three months, a list of clubs with whom we have exchanged reciprocal agreements should be typed up and turned over to the Pro Shop for their guidance. Then, in the future, this list should be adjusted and reviewed every two to three months. The Pro Shop has been instructed to provide you with names of guests' home clubs weekly.

Very truly yours,

ASTORIA GOLF AND COUNTRY CLUB

Attention: Board of Directors

Gentlemen:

We at Riverview Golf and Country Club believe we have one of the most scenic and pleasant golf courses in Northern California. Our location, on the Sacramento River with the first tee on a 100 foot bluff is truly unique. Our play is not exceptionally heavy and we would like to invite your members to play our course when in our area.

Upon presentation of a current membership card, your members will be allowed the use of our facilities and will be allowed to sign for their charges which will be billed to their home club.

We would like to suggest this arrangement be on a reciprocal basis, since there are benefits to both clubs by providing a "home away from home" for our members when traveling. We would appreciate a letter from your club confirming this arrangement, if agreeable.

Our green fees are $5.00 on weekdays and $7.50 on Saturdays, Sundays and holidays. The course is closed on Mondays.

Sincerely yours,

RIVERVIEW GOLF AND COUNTRY CLUB

Dear Mr. Abrahamsen:

Now that your golf club is a PNGA ACTIVE MEMBER CLUB, we would like to have you give consideration to our "Reciprocal Playing Privilege" plan. This is available to members of clubs who have agreed to reciprocal playing basis, which eliminates premium green fees and the necessity of being accompanied by a member playing golf.

Seventeen PNGA member clubs grant reciprocal playing privileges which permit active and contributing members residing OUTSIDE a 50-mile radius to play without the necessity of being introduced by a club member and at REGULAR GREEN FEES.

Member clubs benefit since the green fees are not considered outside income by the Internal Revenue Service. It is to the advantage of all private membership clubs to participate in this program.

See inside of enclosed brochure for the PNGA clubs granting these privileges, now.

Please give this your consideration.

Very truly yours,

George Skarich

Dear Mr. Abrahamsen:

The Pacific Northwest Golf Association Directors donate their efforts and time in working for golf and the golfing member of each club in the Northwest. They work very closely with this office and carry out a workload whenever requested to do so. You no doubt have one from your club that is one of these dedicated people.

These directors and ex-presidents carry a card in their wallet which indicates who they are, what club they belong to and the card requests that all member clubs extend to him all the courtesies his services to golf entitles him to receive. We are very, very certain that these people have never, nor will they ever abuse the privilege.

Honoring this card merely helps cancel a charge for an occasional playing privilege and the card is good for that one individual ONLY. He assumes all other charges for his own account.

In our service to golf, the work of the PNGA directors, and who serve on many committees, is of fundamental importance.

Rather than have these people walk in with this card and be turned down, will you please drop me an official note indicating your club will honor the card when and if presented.

We deeply appreciate your consideration.

Dear George:

As General Chairman for the O.N.P.O. 9th Annual Managers School, Bill Carlson has requested that we write to inform you that Alan Arsenault successfully completed the course this year. The attached sheets give details on our 1968 program.

It is encouraging to know that your organization has the wisdom and foresight to encourage your manager in his efforts to keep abreast of new ideas and methods in the club industry. Our schools are vital to the success of your club operation. The manager is provided with an opportunity to discuss problems with others in his field and to bring back to his club a "fresh" outlook on all facets of his work.

Please take a moment at your next meeting to present the enclosed certificate to Alan. He is worthy of this recognition.

Sincerely,

T. T. Turner, Executive Secretary

4:00 PM	CLOSING - SELECTION OF CHAIRMAN FOR 1969 SCHOOL - SUBJECTS & COMMITTEE.	

P. O. Box 748
Astoria, Oregon
May 28, 1969

Mr. George Abrahamson, President
Astoria Golf & Country Club
Warrenton, Oregon.

Dear George:

Jim McCallister, Chairman of Events for the Club, has asked Jack Daly and Myself to Chairman a Thursday Stag in October, but since then has asked that we put on a Field Day type affair as I suggested in May of 1968.

If we are to switch to such an affair it will take a larger Committee than the two of us. We do not think the Committee on such an affair should be all people from Bumble Bee, but a diversified group that would draw interest from all social and golfing groups within the Club. We do not object to being Chairmen for the affair, but would need somebody on Publicity, Financing (ticket sales) Golf Prizes, Raffle, Handling of Golf starting times and scoring;the Dinner and Dance after the Raffle in the evening.

Before going into such a large affair we believe the time should be given careful consideration. Is it a good time in view of hunting season being on; the fact that most of your out of town members will have moved back to their city homes, school has started and the possibility of bad weather.

An affair of this type is put on to make money for the Club as well as get as many members together at one time as possible. This timing does not appear to me to be too good for this purpose.

I call this to your attention, so that you and Jim can discuss the matter and advise us what you would like us to do. We are willing to help out, but want to put on an affair that will be successful and enjoyable for all.

I have all the information and facts necessary to put on the larger affair, but frankly this is something that should be held in late June or Early July when the weather is good and most of your members are available to the Club, therefore I think it should not be attempted until next year. However, if it is your wishes to try it now okay with me.

Yours truly,

Frank Wright Jr.
